HARRINGTON PARK SWIM CLUB

Thanks to all of our members who made our 60th year of operation a success. We welcomed over 70 new memberships, held numerous special events, gave complimentary swimming lessons to our children, and competed with other clubs in Swim and Dive team meets. If you are not yet a member, there is still time to enjoy the club this season. We are offering special rates. As of August 1st, our membership rates for the 2021 season were reduced by 50%. As of August 15th, if you join and pay for the 2022 season at this year's full season rate, we will start your membership immediately, giving you the final weeks of 2021 at no additional cost.

AMERICAN LEGION

Thank you to those that came out for our parade on May 31; we all honored the nine members of the Armed Forces that gave their lives defending our country. Thank you, also, to all who assisted in the preparation of the parade. This year, through the efforts of Allegro Senior Housing, we had hot dogs cooked by the Fire Department. Ice cream for all children was donated by Park Place Convenience. The Fire Department showcased their new apparatus for all to see.

FIRE PREVENTION NEWS

Summer is the time to check your holiday lights for frayed wires that may cause a fire. Make a list of what you need and discard what's broken. Change the batteries in your smoke and carbon monoxide alarms when you turn the clocks back in the fall, or better yet replace the alarms with new. **Fire Safety begins at home.**

TWENTIETH ANNIVERSARY COMMEMORATION OF 9/11

A memorial remembrance will be held at 11:00 on September 11 at the 9/11 Memorial at Highland Field. Your attendance would be appreciated. If you are part of a group that would like to participate, please contact the Borough Clerk at clerk@harringtonparknj.gov

ENVIRONMENTAL COMMISSION AND GREEN TEAM

We have installed six dog waste stations. They supply a waterproof sheet of recycled, non-bleached paper alternative to single-use plastic dog waste bags. The sheets are 100% biodegradable, 100% compostable and are manufactured in the U.S. using renewable energy. The paper has an all-natural coating that ensures your doggie's doodie remains inside the paper and not on your hand. Research suggests that over 500 million single-use plastic dog waste bags are thrown into landfills each year in the U.S. alone. They contribute to adverse climate change related to methane gas emissions and micro-plastic pollution. By installing these units, we work to mitigate the destructive effects plastic and oxo-biodegradables have on our environment.

We're blessed...

We're blessed to live in a diverse community. We'd probably admit, though, that we struggle to know each other. Councilwoman Joon Chung and Pastor Steve Sayer thought we might have a little fun trying to bridge some of those divides, and food is always a good way to have fun and overcome cultural differences.

On **Saturday, September 25**, our Korean friends will show others how to make a very typical Korean meal. There will also be some Korean outdoor games.

On **Saturday, October 16**, we'll reverse the process: a typical American meal, horseshoes, and maybe a little touch football and try to introduce the American experience a bit.

Both evenings will be held at the Community Church, 1 Spring St. at 6:00 PM. They're open to everybody – kids, cooks, non-cooks, families, singles. There's no cost, but if you'd like to make a small donation to cover the cost of food that would be great. We have to limit attendance to fit the capacity of the kitchen, so please call the Community Church to register – 201-768-2457. All participants of both events are required to wear masks.

Club 60 met on Thursday June 10th at Highland for our first get together since Feb 2020. A good time was had by all with suggestions that we do it again next year. We plan to have our first fall meeting in Founders Hall in the Community Church on Friday September 10th at 12:00. Please arrive early to sign in and buy raffle tickets. *If you want to join Club 60, you can contact Pete at 201 213-6641 or just come to the meeting in September.*

FROM THE MAYOR'S DESK

The Harrington Park Farmers Market Returns

The Harrington Park Farmers Market will begin its new season on Sunday, August 15, from 10:00 am until 2:00 pm. It will run every Sunday until October 31. Our Market was featured in the Record on July 14. It will include at least 30 vendors. One of our vendors stated that it is “the best farmers market I’ve done, out of all the other farmers markets.” Please join us as often as you can. Help us “invigorate the economy of the local area using our own small businesses.” Special thanks is extended to the Harrington Park Community Business Alliance that has been involved and supports the program.

Our 911 20th Anniversary Ceremony

On Saturday, September 11, 2021, at 11:00 am we will conduct a ceremony honoring those who died as a result of the attack on the Twin Towers in New York City. The event will take place at the 911 Memorial at Highland Park. Hopefully you will be able to attend. In addition, we would appreciate your thoughts as to who should be included in the program. Our ceremony is part of our pledge that we will never forget the attack on our homeland.

COVID-19 Update

We are fortunate as a community that our COVID-19 cases have been stable with relatively few additional cases, even with the Delta Variant as a major concern. We have had 334 total confirmed cases since records were started last year. While the current news can be trying, keep up the good work. The fight is not over. Please protect yourself and your family from future problems.

Help for Harrington Park Small Businesses

For years, we have been trying to encourage and support small businesses in Harrington Park. The Harrington Park Business Alliance has played an important part in our plan. In an effort to improve our downtown area, I have asked Ms. Joanne Cimiluca, from Bergen County Economics Development, to guide and assist us in our future plans. Additional support from Economic Development could include financing as well as technical and business assistance.

Compensation and Grants

I am pleased to inform you that as part of the Local Fiscal Recovery Fund Harrington Park has received the first of two payments of \$247,544.13. The second payment will be made in 2022. The funds are to be used to pay for our expenses related to the COVID-19 pandemic. Peter Ardito, the chairman of the Environmental Commission, has indicated that he has prepared and applied for a grant for Sustainable Jersey that is funded by the PSE&G Foundation. For years, Harrington Park has been recognized by Sustainable Jersey for our efforts to improve the environment. We are very fortunate to have a commission that is so dedicated to improving our quality of life. Last year the Mayor and Council applied for an NJDOT road improvement grant to continue the project on LaRoche Avenue. The paving will continue on LaRoche between Semmens and Elliott Road. Included in the bid will be options for curbing, benches, garbage receptacles, and planters. The bid process is expected to begin shortly. Other grants have been applied for, and as soon as we receive notice of approval, I’ll advise everyone.

Help May Be Available for Home Improvement

At a recent meeting with Mr. Robert G. Esposito, the director of the Bergen County Division of Community Development, he explained the purpose of the Bergen County Home Improvement Program (HIP). If you are eligible, funds are available to help pay for improvement to your residence. Eligibility is based on family income, the number of people living in the home and no more than a first mortgage on the home. In addition, there is a first-time homebuyers’ program available. If you have any questions, please do not hesitate to call 201-768-1700 for more information.

Thank you, *Mayor Paul Hoelscher*
